

Do maps show everything (like looking at a photograph)?

---

---

---

**Map Requirements:**

The six things that all maps must have are:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_
5. \_\_\_\_\_
6. \_\_\_\_\_

**\*\*If direction is not shown on the map, you should assume that the top of the map is \_\_\_\_\_ (what direction?)**

**Scale:**

A **LARGE** Scale Map shows a large / small amount of detail and a large / small area.

An example of a large scale is: \_\_\_\_\_

A **SMALL** Scale Map shows a large / small amount of detail and a large / small area.

An example of a small scale is: \_\_\_\_\_
